

Catering Assistants | Pleasurewood Hills Family Theme Park

Our Catering team members fulfil a wide variety of tasks ensuring our guests get the best possible experience during their visit by delivering quality and passion whilst promoting hygiene and safety. No two days are completely the same and you must be prepared to be flexible, learn new skills and carry out a variety of duties throughout the department.

Our Catering Assistants undertake a variety of roles within the Park. Some will be operating tills, taking orders and providing great customer service. Others will be responsible for preparing food, either in one of restaurants or catering units around the park or being responsible for keeping everything tidy, making sure tables are cleared and tidy and dishes washed.

ABOUT YOU

It goes without saying we require you to be confident, presentable and able to communicate appropriately to all our guests and colleagues. You need to demonstrate passion to deliver excellence, drive to succeed and commitment to the role and to the team.

Previous experience of working in a catering role is not essential. Training will be provided in Food Hygiene and Allergens where required.

You could be working both indoors and outdoors in varying climates and conditions. Be prepared for a fair degree of standing and walking.

Job Type: Temporary
